

Do you think the school dress code should be changed?

Becca Brian
Junior

“Yes, because we should have the freedom of being able to choose what we want to wear.”

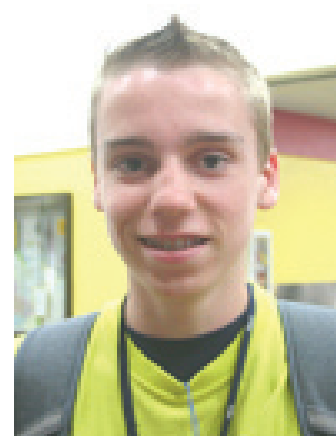

Richard Poulson
Freshman

“Yes it should be changed because the dress code is dumb, and you can’t wear work out shirts that come down low.”

Chantal Paradis
Senior

“Yeah because it’s hot out soon and we are not allowed to wear skirts as it is, so leggings should be allowed and shorts as well.”

Ben Ronda
Sophomore

“No, because it doesn’t affect me.”
