This last week Prairie set new records in multiple events, raising the bar for the rest of the Falcon track team.

John Lawson set a new record in discus at 181 feet 2 inches; Kistina Owinski set a new pole vault record for the school at 12 feet 7 inches, and is currently ranked 3rd overall in the nation. Jonna McElrath also set a new record for Prairie in the shot-put at 40 feet 10

inches.

“The team is coming together, we have a lot of young people but its still looking good for boys and girls this season,” said head coach Curt Crebar. “We are coming into districts and regionals with high expectations. We are looking strong as a team, and plan to bring many to state.”

The next track meet for the Falcons will be the Twilight Invitational Meet, today at Columbia River.
