

**Class Category:** Summer School

**Class Name:** Internet Academy

**Description:**

**For students entering grades 10 - 12 this fall.**

**June 26 – August 4**

EIA computer lab located at 13501 NE 28 Street

Cost per course:

\$140 (in-district students)

\$200 (out-of-district students)

Students may take ONE summer school math class at a time via the Evergreen Internet Academy.

These courses are the full courses, NOT credit recovery.

For students who can work independently from home.

A home computer with a reliable Internet connection is required.

The EIA computer lab will be open from 12 – 2 pm on Mondays, Wednesdays and Thursdays.

**Students need to contact the instructor at [mcastle@egreen.wednet.edu](mailto:mcastle@egreen.wednet.edu) to begin their course.**

**The last day to register for any of these classes is Wednesday, July 5, 2006.**

\* For information about individual student course/credit needs, please contact your student's teacher or counselor.

\* For information about class content, email [mcastle@egreen.wednet.edu](mailto:mcastle@egreen.wednet.edu).

\* For more information about EIA, go to <http://.eia.egreen.wednet.edu>.

To register, go to [www.egreen.wednet.edu](http://www.egreen.wednet.edu) and click on Community Education or call 604-4082.

Refund requests must be made to Community Education at 604-4082 by 4:30 pm on Friday, July 7. Between June 26 & July 7 refunds will be prorated. A 10% processing fee will be deducted.

**EIA Algebra 1 - Integrated**

Basic algebraic principles and geometric concepts.

Su06400

**EIA Algebra 2 - Integrated**

Prerequisite: Algebra 1, Integrated. Pythagorean Theorem, advanced properties of angles and trig ratios. Graphing linear and quadratic equations, factoring polynomials and functions.

Su06401

**EIA Geometry 1 - Integrated**

Prerequisite: Algebra 2, Integrated. Examine basic geometric shapes.

Solve basic and complex questions and use fundamental trigonometric ratios.

Su06402 Mark Castle, instructor

**EIA Geometry 2 - Integrated**

Prerequisite: Geometry 1, Integrated. Geometric similarity and congruency, analysis of polygons, quadratic equations and systems of equations.

Coordinate geometry, 3-dimensional figures and coordinate trigonometry.

Su06403 Mark Castle, instructor

**EIA Algebra 3, Integrated**

Prerequisite: Geometry 2 Integrated. Discussion of functions, and rational and radical expressions and equations.

Su06404 Mark Castle, instructor

**EIA Algebra 4, Integrated**

Prerequisite: Algebra 3, Integrated. Begins with exponents and logarithms. Moves on to foundations for trigonometry. Angles, radian measure and trig ratios.

Su06405

**EIA Pre-Calculus/Trig 1**

Prerequisite: Algebra 4 or Algebra 4, Integrated. Angles and degrees, radians, trig ratios, the Cartesian Coordinate System, the unit circle and the basics of functions.

Su06406

**EIA Pre-Calculus/Trig 2**

Prerequisite: Pre-Cal/Trig 1. Trigonometric ratios, the unit circle, periodic functions and sine, cosine and tangent.

Su06407

**Novanet Credit Recovery**

For students who have attempted and failed English, U.S. History, World History, Biology, Physical Science and/or Family Health. No current 9 - 11 graders can recover credit in language arts if they have not yet scored at proficient on 2006 WASL. Questions on classes or elective offerings should be made to Angela Oliverio at 604-4057 x4056. Registration deadline June 26. Students work from home on their computer. Must have Internet access or the EIA lab can be used 9 - 11 a.m. Monday through Thursday. Must come to the EIA lab for orientation before starting. Two course limit. Refund policy same as for other EIA classes.

**Cost for Novanet Credit Recovery classes:**

\$110 for District students; \$220 for 2 sem. classes

\$135 non-District students; \$270 for 2 sem. classes

Su06408 English 9, 1st Semester

Su06409 English 9, 2nd Semester

Su06410 English 9, 1st & 2nd Sem.

Su06411 English 10, 1st Semester

Su06412 English 10, 2nd Semester

Su06413 English 10, 1st & 2nd Sem.

Su06414 English 11, 1st Semester  
Su06415 English 11, 2nd Semester  
Su06416 English 11, 1st & 2nd Sem.  
Su06417 English 12, 1st Semester  
Su06418 English 12, 2nd Semester  
Su06419 English 12, 1st & 2nd Sem.  
Su06420 US Hist., 1 & 2  
Su06421 US Hist., 3 & 4  
Su06422 World History 1  
Su06423 World History 2  
Su06424 Biology 1  
Su06425 Biology 2  
Su06426 Physical Science 1  
Su06427 Physical Science 2  
Su06428 Family Health

**Class Category:** [Summer School](#)

**Class Name:** [Senior High Classes](#)

**Description:**

**Monday through Friday  
June 26 - July 20, No class July 4.  
Heritage High School, 7825 NE 130 Avenue  
Cost per class: \$110 (in district students)  
\$135 (out of district students)**

**Registration for summer school has begun.** For information about credits and/or course selection, contact your child's teacher or counselor *before school is out*.

For questions about registration, call 604-4082.

Registrations will be accepted until classes fill or begin. Register early for best results. Secondary summer school is open to any senior high student.

**Refund Policy:** To receive a refund, notify the Evergreen Community Education office, 604-4082, of your intent to withdraw no later than 4:30 p.m. on June 27. Refund requests received on June 28 or June 29 will be prorated. A 10% processing fee will be deducted from all student-requested refunds.

**Attendance Policy:** Students may have up to three

absences. Any attendance violations beyond three days will result in dismissal from class and forfeiture of tuition and credit. Three tardies in the same class will equal one absence from class. Excessive tardies can add up to potential attendance violations.

### **CWP**

(Credit recovery only.) Complete either the behavioral or global requirement. Emphasis on your role in the community, how individuals act in groups and how these groups form our community.

#Su06360 7:30 - 10 am, Room 569

Alex Perry, instructor

### **English I & II**

(Credit recovery only.) Recover credit for English in the areas of literature and writing. Covers the basic skills required for high school English. Students must complete all assignments to demonstrate mastery of the skills and to earn credit. To earn credit for 2 English classes, (.5 credit each), a student must sign up for two different teachers as each teacher will focus on a different aspect of literacy.

Su06361 7:30 -10am, Rm. 174

Su06362 10am -12:30 pm, Rm. 174

Joe Czech, instructor

Su06363 7:30 - 10 am, Rm. 168

Su06364 10 am - 12:30 pm, Rm. 168

Peter Fallaw, instructor

Su06365 7:30 - 10 am, Rm. 169

Su06366 10 am - 12:30 pm, Rm. 169

Jo Anne Morrow, instructor

### **Biology I**

(Credit recovery only.) Recover credit for biology. See your school counselor to see if this course will meet your credit needs.

Su06367 7:30 - 10 am, Rm. 571

Roseann Southmayd, instructor

**Biology II**

(Credit recovery only.) Same as Biology I with different course-work. Students may take Biology I and II to earn 1 credit or Biology I or II to earn a ½ credit.

Su06368 10 am - 12:30 pm, Rm. 571

Roseann Southmayd, instructor

**Physical Science I**

(Credit recovery only.) Recover credit for physical science. See your school counselor to see if this course will meet your credit needs.

Su06369 7:30 - 10:00 am, Rm. 580

Keenan Burris, instructor

**Physical Science II**

(Credit recovery only.) Same as Physical Science I with different course work. Students may take Physical Science I and II to earn 1 credit or Physical Science I or II to earn a ½ credit.

Su06370 10 am - 12:30 pm, Rm. 580

Keenan Burris, instructor

**Integrated Algebra**

(Credit recovery only.) Individualized to meet the needs of students needing help with algebra.

Su06371 7:30 - 10:00 am, Rm. 578

Su06372 10 am - 12:30 pm, Rm. 578

Megan Maxcy, instructor

Su06373 7:30 - 10 am, Rm. 579

Norman Sanford, instructor

**Geometry**

(Credit recovery only.) Designed to recover credit for geometry.

Su06374 10 am - 12:30 pm, Rm. 579

Norman Sanford, instructor

**Pacific Northwest History**

(Credit recovery/grad. requirement.) An overview of Washington State's geography, history, economy and government.

Su06375 7:30 - 10 am, Rm. 178  
Tina Bump, instructor

**9th Grade World Hist. Part 1**

(Credit recovery only.) Survey course covering ancient Greco-Roman world to the end of the 16th century. Emphasis on reading, writing and analysis of historical data.

Su06380 7:30 - 10 am, Rm. 173  
Glenn Cook, instructor

**9th Grade World Hist. Part 2**

(Credit recovery only.) Survey course covering the dawn of the 17th century to modern times. Emphasis on reading, writing and analysis of historical data.

Su06381 10 am - 12:30 pm, Rm. 173  
Glenn Cook, instructor

**U.S. History, Part I**

(Credit recovery only.) People, events, movements, policies, documents, politics that have shaped our nation from the Pre-Colonial era to the establishment of The Constitution (1492-1800).

Su06376 7:30 - 10:00 am, Rm. 573  
Patricia McMaster, instructor

**U.S. History, Part 2**

(Credit recovery only.) From the start of the Westward Expansion to the end of Reconstruction (1800-1890).

Su06377 10 am - 12:30 pm, Rm. 573  
Patricia McMaster, instructor

**U.S. History, Pt. 3**

(Credit recovery only.) From the Turn of the Century to the end of World War II (1890-1945).

Su06378 7:30 - 10 am, Rm. 574  
Stephen Nowacki, instructor

**U.S. History, Pt. 4**

(Credit recovery only.) From the start of The Cold War until present (1945-present).

Su06379 10 am - 12:30 pm, Rm. 574  
Stephen Nowacki, instructor

**Health**

(Credit recovery/grad. Requirement.) Explore a variety of mental and physical health related topics including fitness, nutrition, diseases, stress, substance abuse, relationships, sexually transmitted diseases, first aid and self esteem.

Su06382 10 am - 12:30 pm, Rm. 171

Shannon Young, instructor

**Lifetime Fitness/P.E.**

(Credit recovery or advancement.) Explore activities that can be done throughout life: hiking, biking, tennis and other recreational activities.

Su06383 10 am - 12:30 pm, Rm. 569

Alex Perry, instructor

**Sports Fitness/P.E.**

(Credit recovery or advancement.) Aerobic movement, sports conditioning, weight lifting, etc.

Su06384 7:30 - 10 am, Gym

Shannon Young, instructor
